EPSRC and MoD CDT in Sensing, Processing and AI for Defence

CDT SPADS

spads.ac.uk

1 Check your eligibility

- Read How to apply_ for details
- 2:1 in computer science, physics, engineering mathematics or equivalent
- English language requirement
- Only applicants who do not require ATAS are eligible
- All applications are submitted to the University of Edinburgh

2 Pre-application mentoring for under-represented groups

- Optional mentoring support for women and other groups under-represented in the STEM community
- See How to apply

3 Supporting documents

- Apply here and upload your supporting documents
- Upload a certificate **and** transcript for **each degree**, or an interim transcript if degree is in progress
- Upload a CV and a cover letter
- See How to apply

4 References

- We require two references
- Enter the email of each referee in the portal. The University of Edinburgh will contact them and advise them how to upload
- Email addresses must be institutional, i.e. not Gmail

5 Funding

- All successful applicants are funded, so please leave funding questions blank
- You can now submit your application and relax - we will contact you if you are shortlisted for interview
